\_\_\_\_ Children under the age of 13 must be supervised at all times when not participating in Rocknasium Summer Camp, Youth Programs or Group Events (e.g. Birthday Parties)

\_\_\_\_ Rocknasium does NOT provide one-on-one supervision for summer camp or youth program climbers. If a child requires a special aid, assistant or direct one-on-one supervision then we apologize but we cannot provide this kind of one-on-one supervision within our group structured youth program. Counselor to camper ratios are approximately 5:1.

\_\_\_\_ Any behavior that is disruptive or dangerous to the climber or others or involves any interpersonal violence or threats of such violence is grounds for immediate termination.
